

PART – A
(2004 – 2005)

Introduction:

The institution is established 1970 by marathwada legal and general education society to promote girls education. This is the first women institution to promote higher education for womens. Due to globalization total metamorphosis has occurred in the traditional concept of education. The traditional system of education is more applicable in current scenario. In order to avoid these of lows and making education multifaceted PEDI centric. Need oriented and socially coordinated attempts have been made to bring out change at various level. The attempts are made on the level of syllabus designing, curricular and co-curricular programs and implementation of syllabus teaching methodology evaluation pattern etc. In modern capitalistic world we no more afford to have our educational system drifted from social, economical and cultural needs of our nation. In the changing academic scene it is the duty of educational institution to cope of with the needs of students. The reflection of this changing concept of education is very much apparent in the overall academic planning of the college. All the departments of the college decided the annual plan with the view to conquered with present situation. The plan was directed toward making teaching more effective to achieve active participation of students in teaching learning activity and to provide exposure to student in recent technology in education and finally to make the whole system result oriented.
