4. PART –B Information to 41 KEY AREAS
5. PART – C PLANS of the institution for the next year.

Part - A

2010-11

Introduction:

Dr.Sow.I.B.P.Mahila Mahavidyalaya is one of the premier institution of higher education in Aurangabad, imparting the education from junior college to post graduate level .It is the first women's institute established in 1970 by "Marathwada Legal and General Education Society" with the view to offer girls the same educational advantages that were then the exclusive privilege of men. The college also aims to make education accessible to all section of the society. Empowerment of women is considered as a priority area and efforts are made to put it in reality in all academics and other activities. The college is affiliated to Dr. Babasaheb Ambedkar Marathwada University and has a sustained record of excellence in academics. The institution has adequate staff who are well qualified, highly competent and the committed faculty members of all the departments keep abreast of the latest development in their respective field of study by attending conference seminars, workshops and refresher courses.

Academic ambience and infrastructural facilities are augmented from time to time to enhance teaching learning culture. To motivate students for further studies and to face various competitive examinations, M.P.S.C guidance classes were conducted free of cost for all the students.

The noteworthy feature of this year was a National level "Career Guidance Conference" for girl a student which was held on 1st of March 2011. 1500 girl students actively participated in the conference. The registration was free of cost students were guided about the various opportunities and choose the appropriate career. The college has well established placement cell to act as an interface between the corporate world and the students in order to bridge the gap between them. It also acts as a contact point for all companies who wish to recruit students from our college. This year campus interview was organized for Birla Sun Life Minaach Company where 50 students were recruited through our college placement cell and are expecting to recruit many more students in near future. The placement cell provides information regarding higher education, job opportunities available through its notice board, news paper cuttings and

brochures. The databases of the students are managed by the cell which plays a critical role in getting jobs for the alumni.

Women's study cell is established to study various issues related to women the facility of INFLIBNET is provided in the institution by which 50,000 e-books and 21,000 e-journals are made available on N-List (INFLIBNET) for the faculty members, members of the management and the students.

University Examination meritorious students:-

The college feels highly proud to announce that our student Ku Daya Joshi of Arts faculty scored first position in the Merit List of Dr. Babasaheb Ambedkar Marahtwada University, Aurangabad.
