# **Analysis Report of Students Feedback about the Institution 2022-2023**

The Institution emphasizes on student progression and so it gives preference to the feedback obtained from them. Every year student's feedback is taken from feedback forms and henceforth analyzed.

It reflects that more than half of the student's i.e. 65% have taken education for the sake of job. 80% have selected their optional subjects basically out of their interest and also most of them i.e. 90% are not engaged with other courses outside the college. As per the student's suggestion, the college timing should be in the morning than afternoon. 85% students have made a remarkable comment that they are fully satisfied with the syllabus taught by the teachers and all students positively said that the syllabus is completed in time.

They are also found happy and satisfied with fully equipped laboratories and Library Facilities availed for them. 82% to 88% students read and use reference books and reading room facility to full extent. Most of them also expressed their interest and satisfaction in sports and its facilities.

Regarding their views about college and its cleanliness 55% felt that there is scope for cleanliness and plantation. Their views are also same regarding hostel and canteen. Nearly half of the students feel that the programmes & activities are excellently conducted by the Institution.
